The primary goal of the Music Academy is to train a generation of musicians who will be able to lead and serve in the Ministry of Praise and Worship.

The program is designed to provide weekly training in voice and various instruments primarily to members of Second Calvary. The Music Academy is also responsible for developing and encouraging those gifted students in creating new music that can be used in our worship services.

The Academy offers a variety of instruction inclusive of:

# MINISTRY OF PRAISE & WORSHIP

The Ministry of Praise and Worship is *responsible* for providing an atmosphere conducive to ushering in God's presence to His people throughout the worship service. (II Chr.5:11-14)

Our goals are:

1. to lead the congregation in praise (*thanking God for what He has done*) and worship (*affirming Who He is and our relationship to Him*)
2. to submit to the leadership of the Holy Spirit and Senior Pastor in the worship service; and
3. to develop and train others for service in this ministry.
